

Thank you for choosing Solid Rock Granite, LLC. for your project. We have provided a pretemplate checklist for you to review. The purpose of this checklist is to make sure all the appropriate information pertaining to your project is ready at the time of your template appointment.

#### Pre-Template Customer Checklist

1. Responsible party who can sign off on all details must be present at time of template.
2. All material selections have been confirmed before template appointment.
3. Existing counter tops are cleared off prior to the template appointment.
4. All New Cabinetry must be fully installed and ready for templating.
5. Sinks are on-site or sink model specifications available at time of template appointment. (Customer will be responsible for delivering the sinks to our office if not on-site).
6. Farm style sinks must be "dry fit" installed in cabinets. (Cabinet company is responsible for this).
7. Faucets are on-site or faucet information is available at time of template appointment. (This is not required but would be appreciated).
8. Cooktop is on-site or cooktop model specifications at time of template appointment.
9. Edge Profile selections are confirmed.
10. You have reviewed your provided quote, and everything appears to be correct. (If you see any discrepancies, please call your salesperson to discuss).
11. If any of the above items listed are not ready, please call Juan Rivas at 928-300-8392 to reschedule your template appointment. (Additional fees may apply if we must return to complete the template process).

Thank you,
